

Dear potential sponsor,

It's never too late to make a difference in the youth of our community. I am writing with the hope that you will consider a tax exempt sponsorship donation to assist me with the expenses associated with my competition season as a member of CheerForce Central Valley.

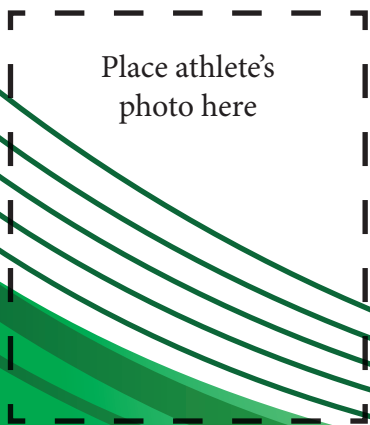

As a member of a competitive cheerleading and dance team I will learn valuable lessons that will encourage my growth as I become a vital member of our community. These lessons include teamwork, commitment, leadership, and the "anything is possible" attitude. These lessons are acquired in a healthy and positive environment that will allow me to reach my full potential as an athlete and as a productive member of society.

As a member of CheerForce, I will have the opportunity to travel across the United States to represent, not only my team but, the county of Fresno, CA. Competitive cheerleading and dance require a high level of, not only physical commitment but, also the support of my family, friends, and community.

The cost associated with this sport includes; gym fees, uniforms, and competition fees, totaling approximately \$3,500.00 per year. I will receive 90% of your donation and CheerForce will receive the remaining 10%.

Please consider making a tax exempt contribution to help me participate in a sport that I love and that promotes a healthy lifestyle. CheerForce is a positive influence in mine and my teammate's lives. Your consideration is a complement to our cause and we thank you for your time.
