

Turn in BOTH copies to Front Desk

PREAPPROVAL: TEAM PRACTICE ABSENCE

I'm requesting approval for my child to miss team practice. I understand missing team practice devastates the team's ability to effectively practice that day and may result in rearrangement of my child's position in the routine, if that benefits the team as a whole.

Team practice absences will ONLY be considered for pre-approval when **submitted at least 14 days in advance**. All **team practice absences** (even for school functions or pre-planned vacations) not pre-approved with this form 14 days in advance are considered unexcused.

"Unexcused TEAM Absences" receive an automatic \$25 fine.

This form does not cancel Private Lessons. You must cancel privates at the Front Desk.
