

Cheer Programs comparison

All Star Cheer NOVICE ("half-year") Teams

Description: 6-month cheer team program. This program is a good introduction to all star cheer teams. NOVICE teams provide an opportunity for newer athletes to experience all star cheer teams, but with limited cost/time commitment (vs PREP & ELITE)!

Season: November - April

Practices: One weeknight/week

Competitions: 3 "local" (*within driving distance*) 1-day competitions [Feb - Apr]

Tuition: 6 payments of \$79

All Star Cheer PREP ("3/4-year") Teams

Description: 8-month cheer team program. This is a step above our NOVICE ("half-year") program, but not as intense as our ELITE ("full-year") program. Practices start after the school year begins (September), which gives families their summer months off!

Season: September - April

Practices: One weeknight/week + two Sundays/month

Competitions: 5 "local" (*within driving distance*) 1-day competitions [Jan - Apr]

Tuition: 8 payments of \$119

All Star Cheer ELITE ("full-year") Teams

Description: 11-month cheer team program. This is our most competitive cheer team program. Practices start in June. Competitions begin in January and continue thru mid-April.

Season: June - April

Practices: Two weeknights/week + occasional weekends

Competitions: 6 "in-state" competitions [Jan - Apr]

Tuition: 11 payments of \$179
