

## PREAPPROVAL: TEAM PRACTICE ABSENCE

I'm requesting preapproval for my child to miss team practice. I understand that even just one cheerleader missing practice hinders our team's ability to fully practice. Missing team practice may result in rearrangement/replacement of my child's position in the routine, if this benefits the team as a whole.

**Team practice absences** will ONLY be considered for pre-approval when **submitted at least 14 days in advance**, as this gives coaches enough time to reformulate our team's practice plans and not completely waste the practice day. All team practice absences (*even for school functions or pre-planned vacations*) not pre-approved with this form 14 days in advance are considered unexcused.

*This form does not also cancel Private Lessons. You must cancel privates at the Front Desk.*
